Support your body's natural balance with Inflamm/Pain — a Naturopathically designed blend of herbs and nutrients to assist joint comfort and relaxation. MSM may help support joint health and exercise recovery, while Boswellia and Turmeric help maintain healthy inflammatory responses and mobility. Vitamin C helps aid immune health and collagen production. L-theanine encourage calmness and stress reduction, complemented by Californian Poppy and Corydalis for muscle and mental support. Devil's Claw traditionally supports joint wellbeing, and AstraGin® enhances nutrient absorption. Take a step towards feeling more balanced and comfortable with our expert formula.
