Looking to support your circulation and stay energised? This powerful blend features ingredients that work together to promote healthy blood flow, physical performance, and general wellbeing. Citrulline helps support nitric oxide production, which plays a role in vascular health, while Beetroot provides natural antioxidants to assist stamina and endurance. Traditional herbs like Hawthorn Leaf and Gotu Kola help support circulation and cardiovascular function, and Pine Bark supports vessel health. With added Bromelain, Nattokinase, Turmeric for cleansing to support healthy circulation, this formula offers a natural way to feel more vibrant and energised.
